¹ The Rehabilitation Loan Program is funded through federally appropriated HOME funds. This column represents the estimated allocation of funds Minnesota Housing budgeted for the current 2 year cycle.

² As Minnesota Housing receives federal appropriation disbursements for the program, this column will increase. These are funds Minnesota Housing currently has at its disposal for the program.

³ This is the amount of funds each Regional Loan Pool has available to commit, based on "Total Funds Received to Date" minus total estimated loan production (as indicated from environmental review approvals) for each region.

As of **May 24, 2010**, the available funds balance for the Emergency and Accessibility Loan Program is:

Pool	Available Funds
Emergency and Accessibility Loan Pool	\$290,810.00
